

CRITICAL WORKER COVID-19

TEi Ltd. is an embedded contractor, who provides maintenance, repair and field engineering support to Critical UK Assets and Infrastructure, across a number of government defined 'Critical Sectors'.

Therefore, TEi Ltd can confirm that all staff fall under this [Critical Sector] category and should be considered as 'Key Workers'.

Government Advice:

“Utilities, communication and financial services

This includes staff needed for essential financial services provision (including but not limited to workers in banks, building societies and financial market infrastructure), the **oil, gas, electricity and water sectors** (including sewerage), information technology and data infrastructure sector and primary industry supplies to continue during the COVID-19 response, as well as key staff working in the civil, **nuclear, chemicals**, telecommunications (including but not limited to network operations, **field engineering**, call centre staff, IT and data infrastructure, 999 and 111 critical services), postal services and delivery, payments providers and waste disposal sectors...”

TEi Ltd. continue to follow government guidance on 'Social Distancing' and have already implemented additional health screening and working at home practices, along with co-located group activities, only undertaken for business critical activities.

Kind Regards
