Hazard	Potential Harm	Severity	Likelihood	Risk Rating	Using Further Control Measures	Severity	Likelihood	Residual Risk
Contracting the virus while working in the office -Working with others	Fatality Major Health issues	5	4	20	<ul style="list-style-type: none"> - Ensure social distancing rules are obeyed where possible. - All employees are to be briefed about basic hygiene requirements (avoid touching areas around the face unless your hands are clean). -Numbers of people in specific areas will be restricted and signed accordingly. --Where not specifically mandated, face coverings may be worn where individuals feel they need to. This does not mean they can deviate from this risk assessment. -Where practical windows shall be opened to provide ventilation. -Before & each time anyone enters any TEi office areas, they must utilise the hand cleaning station situated at the office entrances - Hand sanitising stations situated around the offices and in welfare areas shall be used prior to, and after moving through doors, etc. to help protect from any germs present on frequently touched surfaces, such as handles and doors etc. - TEi Employees should be seated with minimum 2m spacing and should avoid sitting face to face. - Kitchen Items used by an individual shall be washed and dried, by that same individual, before and after usage. - Caution shall be taken when moving around the offices and welfare areas. Allow time for others to access/egress rooms and corridors . Before entering a corridor allow anyone already in the corridor to exit. -When passing each other in hallways ensure you communicate verbally to avoid close contact. Please use verbal communication to alert people when there is a potential to be passing. Do not be afraid to speak up and stop someone - Toilet facilities are to be regulated to maintain the 2 metre rule wherever possible. - Use of printers/scanners shall be restricted to those closest to the employee, depending on the capability required for the task in hand, and hand sanitiser shall be used before and after use. -All visitors shall be made aware of and agree to the office guidance. Visitors shall be booked in prior to their visit, to limit the number in the office at any one time. 	5	2	10
